

RICHARA 
safaris & tours UGANDA

Experience unforgettable moments

From the savannah plains, rainforest jungles to hidden cultural cities, Uganda has many obscure diverse destinations great for private or group African safari holiday.

Our company profile

Richara Safaris and Tours is a tour company based in Uganda. Operating with the philosophy to render quality and affordable service, Richara Safaris guarantees complete thrill and fun for all the tourists along with the extra comfort. We know top safari destinations and we make it unbelievably reliable for you to explore them.

At Richara, we believe that the guide is the most important asset of a safari; the local guides used are very professional, experienced, knowledgeable and passionate about their job. We major in safaris for budget, mid-range and luxury packages.

Richara Safaris and Tours was set up by three Ugandan nationals who set out to use their passion for adventure and traveling to create an opportunity for fellow travelers to enjoy the unique sites, culture and cuisine that Uganda has got to offer, through the eyes of a local.

Richara offers you quality without compromise by focusing solely on unforgettable experiences and lifelong memories locally within Uganda.

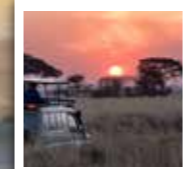

We make travelling and touring more fun and more social

by organizing transport, accommodation, food and most importantly must see sights so you can relax and focus on exploring the Pearl of Africa.
